

**12 - 14 MAY 2023 - BORNEM (BE)**

**THE ART OF FAITH FESTIVAL IS  
A CHRISTIAN FESTIVAL  
WHERE MUSIC INSPIRES,  
WHERE YOUNG AND OLD MEET,  
AND WHERE EXPERIENCING  
YOUR FAITH FEELS  
LIKE COMING HOME.**

**A UNIQUE OUTDOOR WEEKEND  
THAT INCORPORATES  
'THE ART OF FAITH':  
SEARCHING (AND FINDING)  
ON THE JOURNEY OF FAITH  
WHICH EVERY PERSON  
IS CALLED TO WALK.**

## **EXPERIENCE**

The Art of Faith Festival is a casual environment where Christian faith can be experienced.

Christian music, workshops, sports and games, in all forms and expressions of creativity and facilities to spend the night make this festival experience one of a kind.

Internationally known bands and little-known local gems: the common theme is Christian music.

Music offers an accessible context and offers in and of itself something that connects.

It brings people together, and that is what we are about.

Because when people come together and meet each other in God's Spirit then something significant happens.

## **ENCOUNTER**

The Art of Faith Festival wants to make a true coming together possible, to learn from each other about God.

This is the reason we want to focus on moments to meet as well as space to share and pray together.

This experience will of course be offered accompanied by good food and drinks.

At the same time, we would like that this festival becomes a witness of unity among Christians.

Young or old,  
Catholic or Protestant;  
all are different,  
but all are one in Christ.

It is this exceptional unity that we would like to experience, celebrate and show to the world with the Art of Faith Festival.

## **ENCOURAGE**

The Art of Faith Festival is a place where people can feel that they are not alone.

They are not alone as a person and not alone as a Christian.

It is the place where people can be built up and encouraged by the fellowship and through the contemporary Christian music, seminars and testimonies.

We want the festival to be a place where people experience new dimensions of God's love and grace.

Where you are encouraged to find your place in society, to make it your own and to give it a new dimension of purpose.

We want to give people tools to shape their own personal faith, and to be salt and light in their own circles.

THE ART OF FAITH FESTIVAL IS BEING ORGANIZED  
BY THE NON-PROFIT ORGANIZATION HE IS ALIVE  
TOGETHER WITH A GROUP OF PARTNER ORGANIZATIONS  
FROM SEVERAL DIFFERENT CHURCH BACKGROUNDS.

## HE IS ALIVE

He Is Alive wants to create a space where churches and organizations can be brought together to make Christian music events a reality.

Our mission: to be witnesses, sharing the good news in society, encouraging everyone to start a journey with Christ every day. We do this irregardless of church backgrounds or creeds using the medium of contemporary Christian music.

He Is Alive has been around since 2007 and has built up experience over the years in organizing festivals, workshops and concerts.

After nine editions of the one-day festival called 'Festicert' they took a break to reflect, which is where the idea for the Art of Faith Festival was born. The cooperation with the many partner organizations (and the support it provides) creates a wealth of potential and in that sense is the Art of Faith Festival a unique event in the history of He Is Alive.
