

VOLUNTEER CHARTER

MAY 3TH, 4TH, 5TH 2024 - BORNEM

Welcome to the team of volunteers of the Art of Faith Festival! We look forward to working together with you by following in Jesus' footsteps by serving in this project.

WHAT IS MY COMMITMENT AS A VOLUNTEER?

Volunteers spend **most of their time** at the festival on duty. You can work (several) **shifts of 3 hours** each throughout the weekend. You choose the task you perform when you register. During the festival, you can always contact your task manager.

For those coming to work during the festival itself, we ask you to be present in the volunteer house **at least 15min before the start** of each shift (except sequential shifts). This gives us enough time to organize briefings so we can get to know each other better and work as a team, as well as experience the organization of the Art of Faith Festival and live the “behind the scenes” experience together.

WHAT DO I GET AS COMPENSATION FOR MY EFFORT?

We realize that being a volunteering requires effort. Therefore, you can expect the following compensation:

- **-50% on a weekend ticket from 2 shifts – a free weekend ticket from 4 shifts.**
- **Free water, coffee and tea** in the volunteer house during your shift.
- **One free meal per 2 shifts.**
- The chance to experience the festival in a unique way **from the inside**, discovering the joy of receiving and passing on.

BY COMPLETING THIS REGISTRATION FORM, I AGREE TO:

Respect the above charter.

Be punctual at the posts and briefings assigned to me.

Responsibly handle the tasks entrusted to me.

Work constructively with the other volunteers and those responsible.

Be covered by insurance for damage caused to third parties.

Kaat Vandeputte,
Volunteer coordinator
